Note: APS data (covering employment, unemployment, economic inactivity & working age disability) and the jobs density figure have been revised following the updated 2021 midyear population estimates.

¹ These figures have been updated. The latest ONS mid-year population data (mid-2021) are now compared against the last ONS mid-year population data (mid-2020).

² The latest 2021 Census population figure is compared against the last ONS population by country of birth data (2020). Note that the ONS population by country of birth data has been discontinued.

³ This figure is ONS jobs density estimate and includes employees, self-employed, and government supported trainees.
