¹ As well as publishing the new mid-2022 population estimate; annual population estimates for the period 2012 – 2021 have been revised and rebased following the 2021 Census.

² The latest 2021 Census population figure is compared against the last ONS population by country of birth data (2020). Note that the ONS population by country of birth data has been discontinued.

³ This figure is ONS jobs density estimate and includes employees, self-employed, and government supported trainees.
