Reporting Crime and ASB

Of those respondents who have experienced / witnessed / heard of some form of crime occurring in their local area in the last year, or those who believe that crime is a problem in their local area:
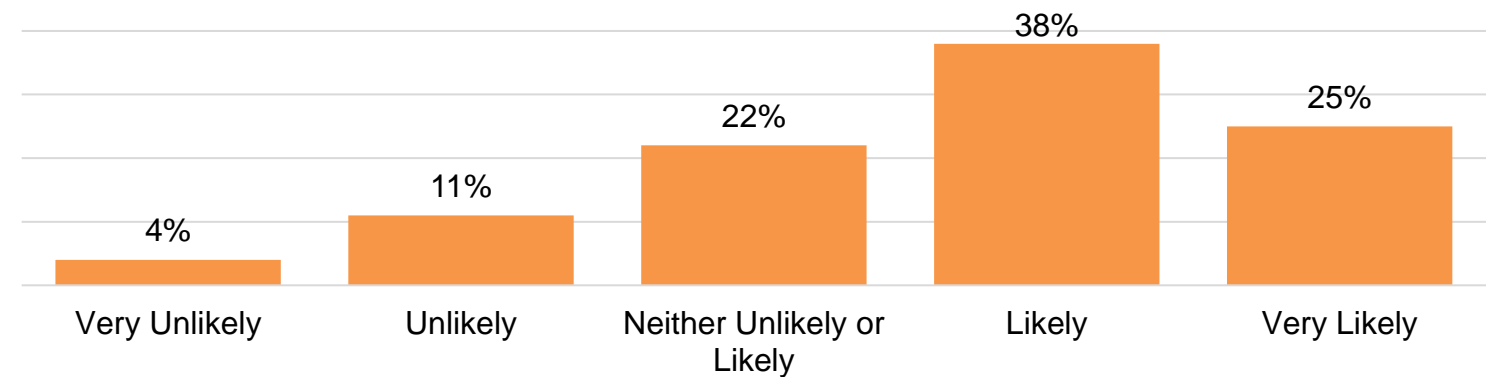

Did you report it?

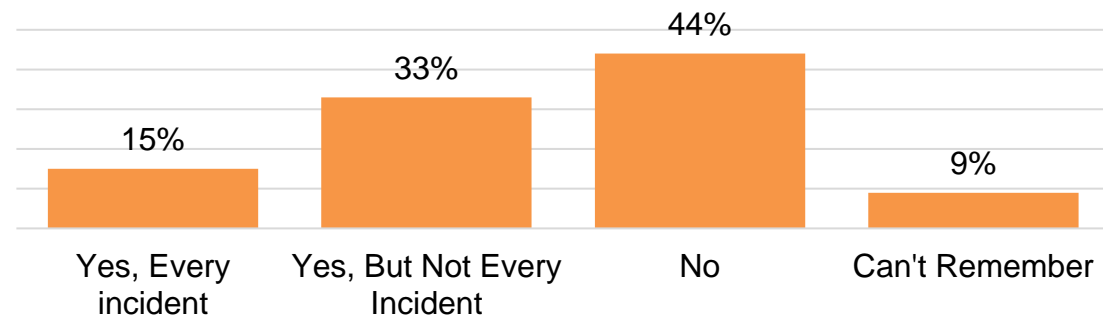

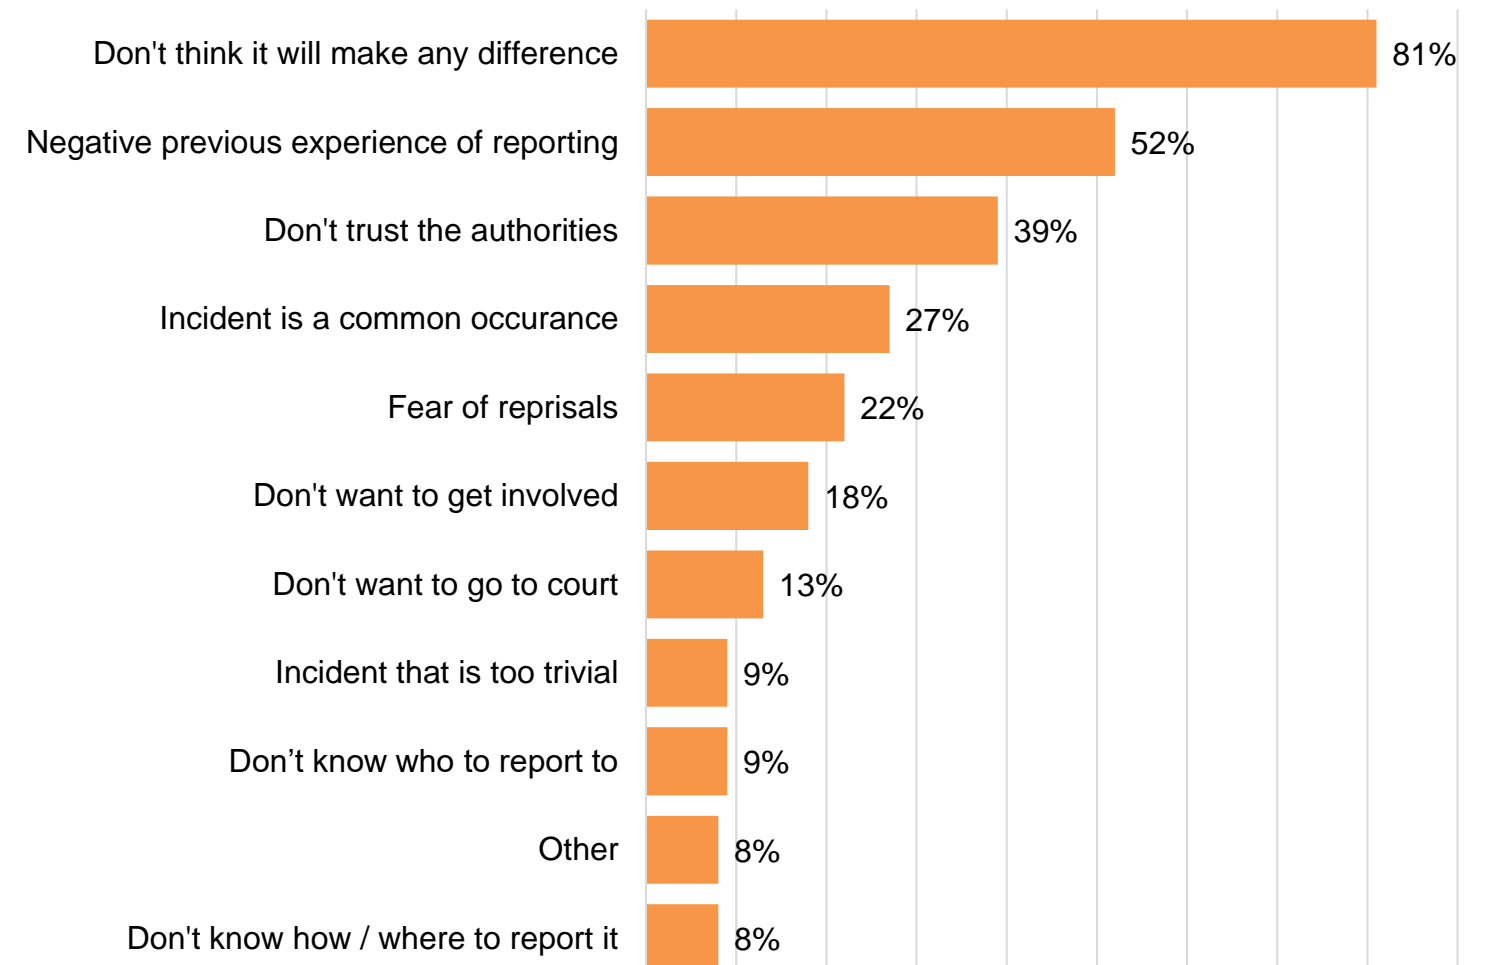

If you did not report any / all incidents, why not?

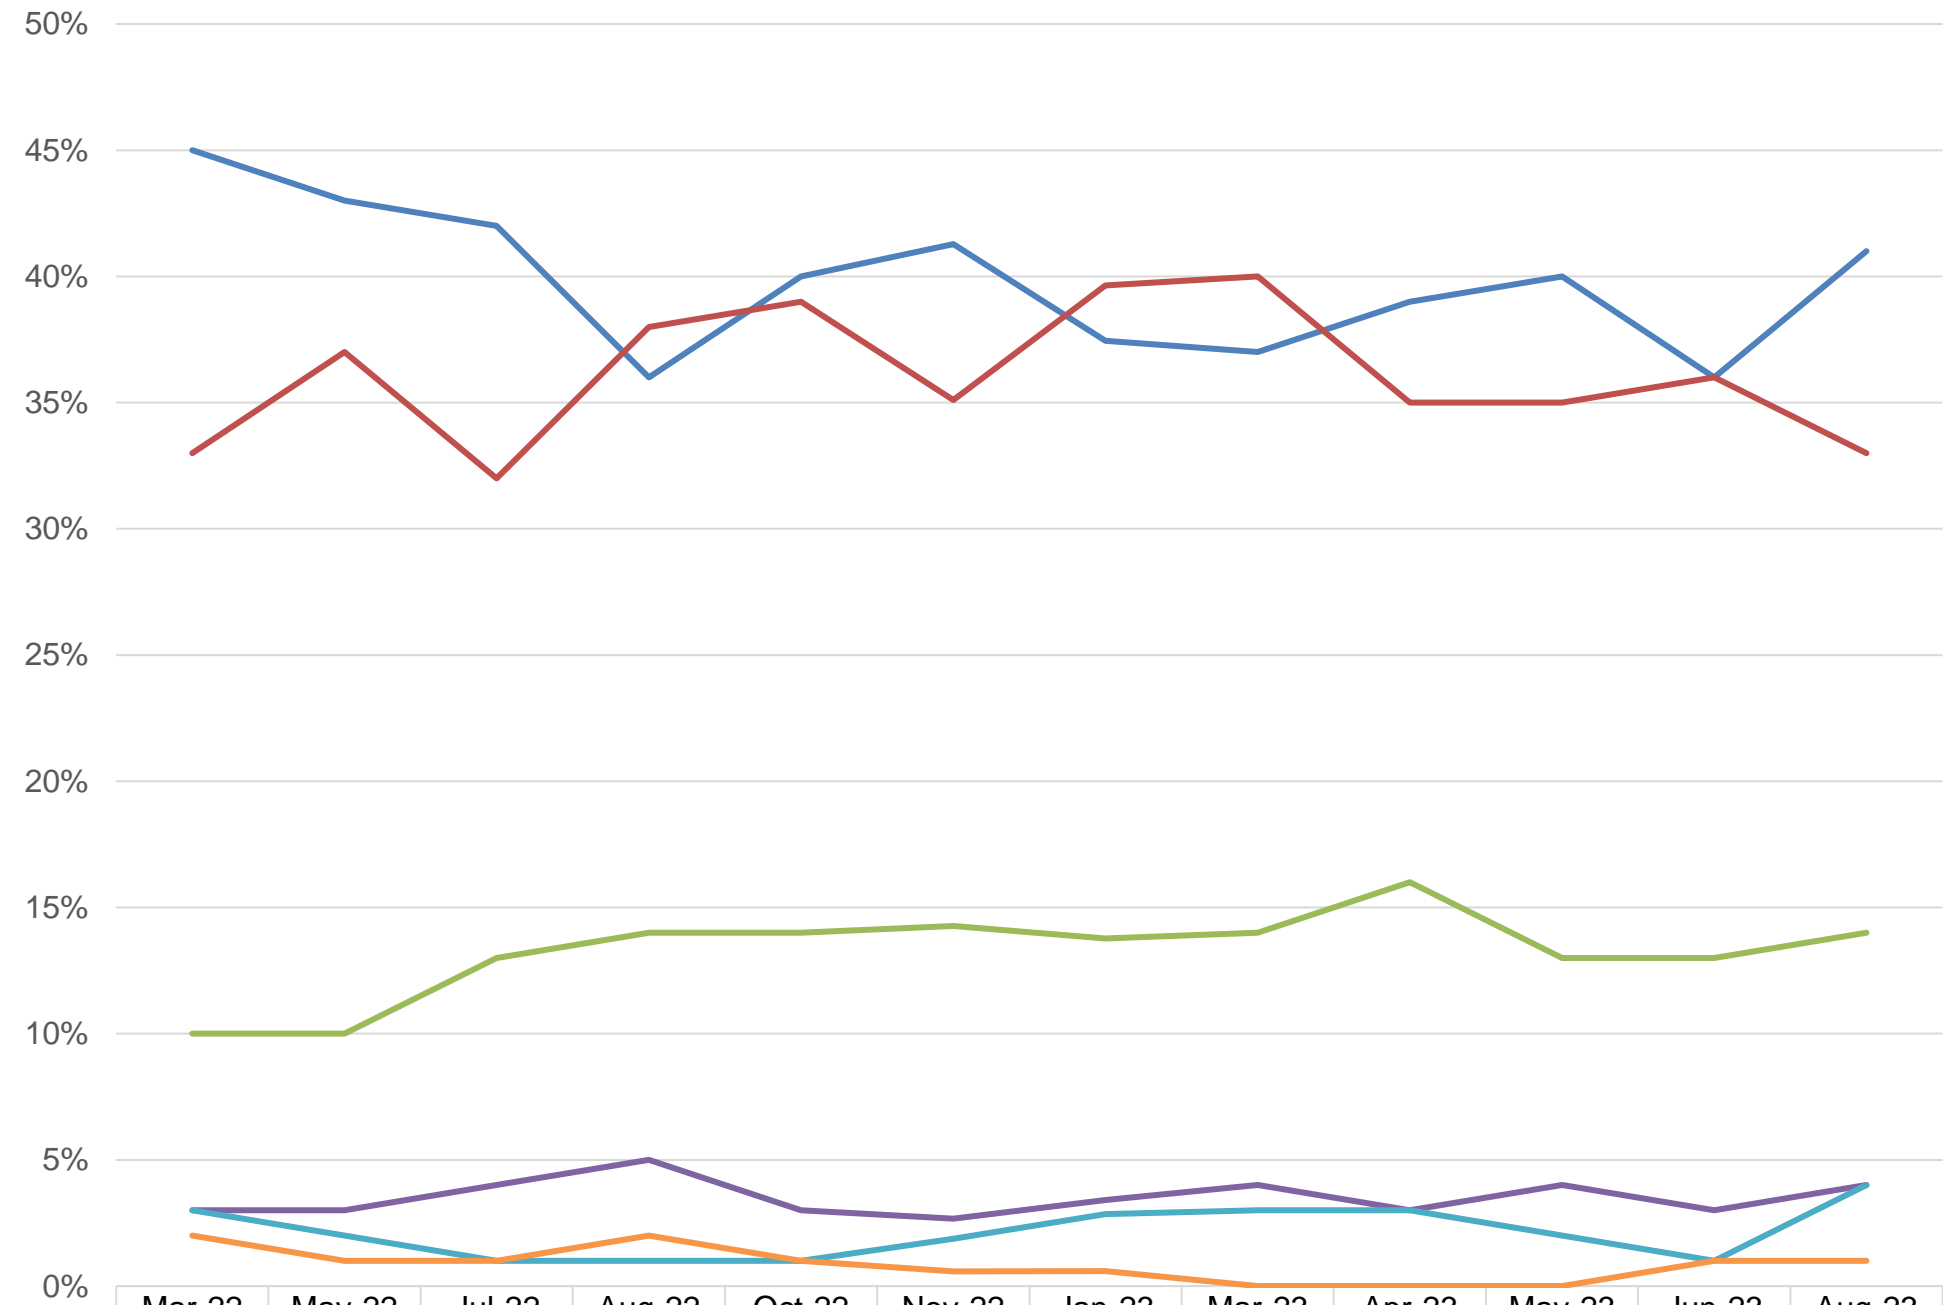

Of all respondents:

In the future, if you or a member of your household was a victim of crime, or it became a problem where you live, or you witnessed it or knew someone it happened to, how likely would you be to report it?

If you said you were unlikely or very unlikely to report a crime, why?
