Wave 16: October 2022 (1,633 Hull Responses)

Long, Hot Summer

Thinking about the summer heat wave, where temperatures reached unprecedented levels, did you...?

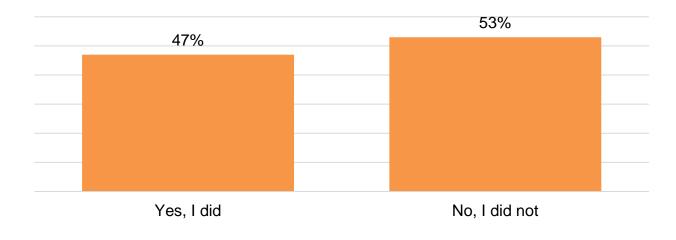

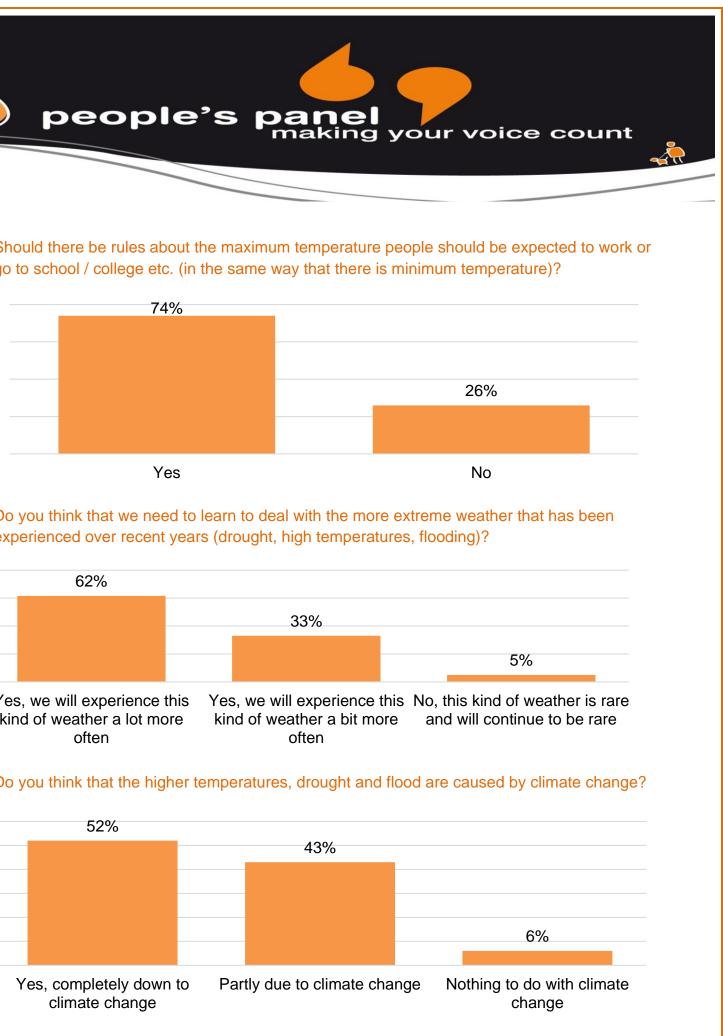

How worried did the predicted heatwave make you feel?

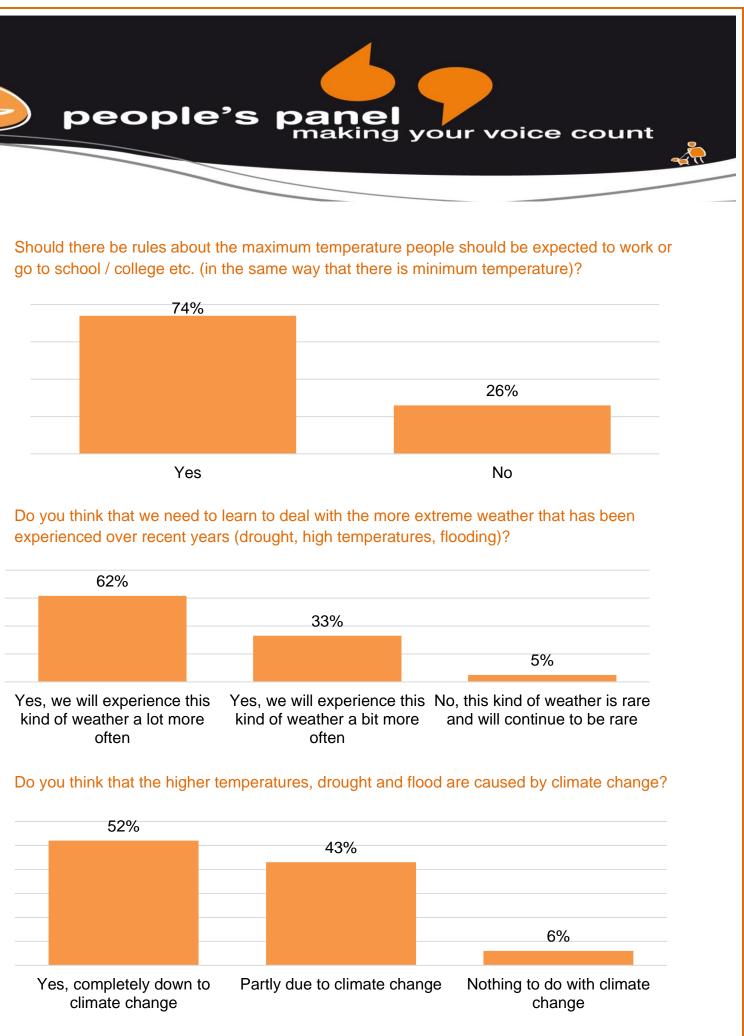

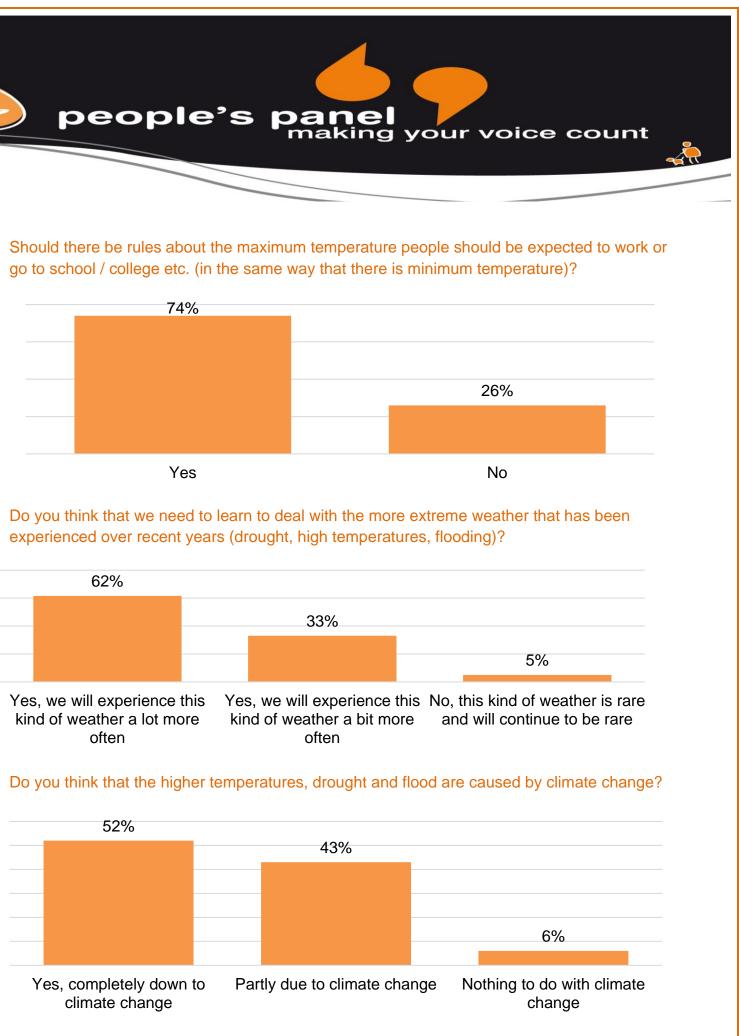

1 - Not at all worried
2 3 4 5 - Very worried

Did you change any of your plans, or the way that you do something because of the very hot temperatures?

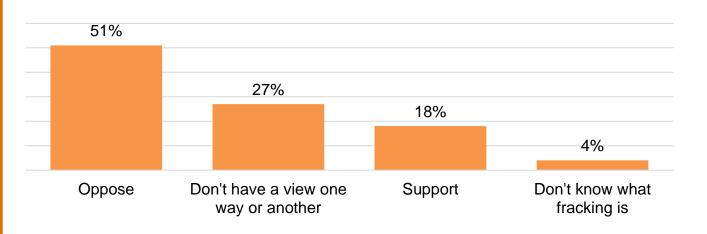

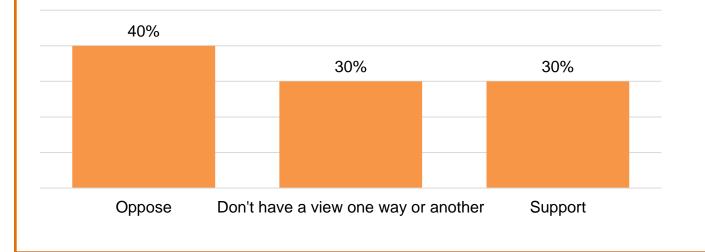

Long, Hot Summer (Cont)

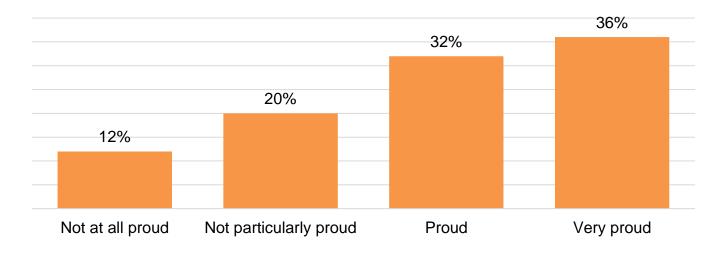

In September the Government announced that it was lifting its temporary ban on fracking. Do you oppose or support this?

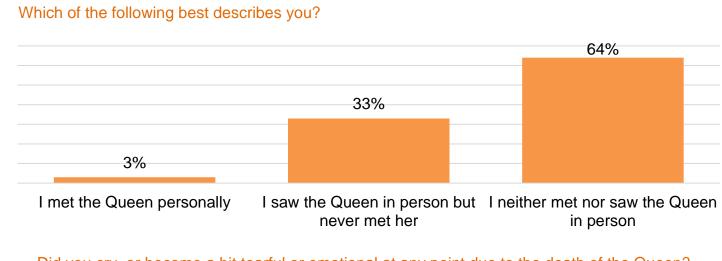

There was also an announcement that the pause on granting new licences to drill for oil and gas in the North Sea was to be lifted, with the granting of 100 new licences. Do you oppose or support this?

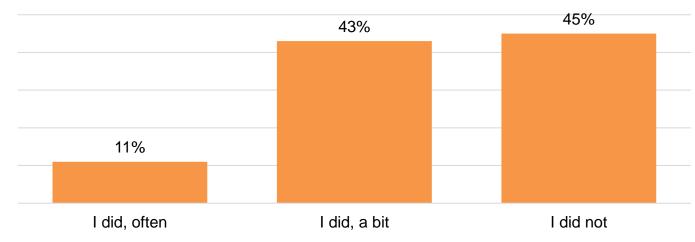

How proud of Britain did the way in which the country responded to the death of the Queen, and the accession of the King, make you feel?

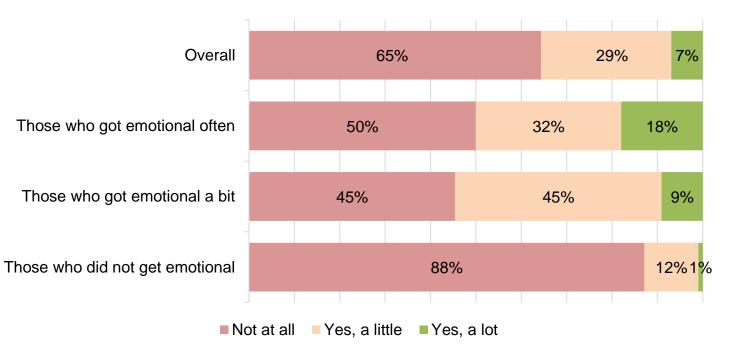

The Queen

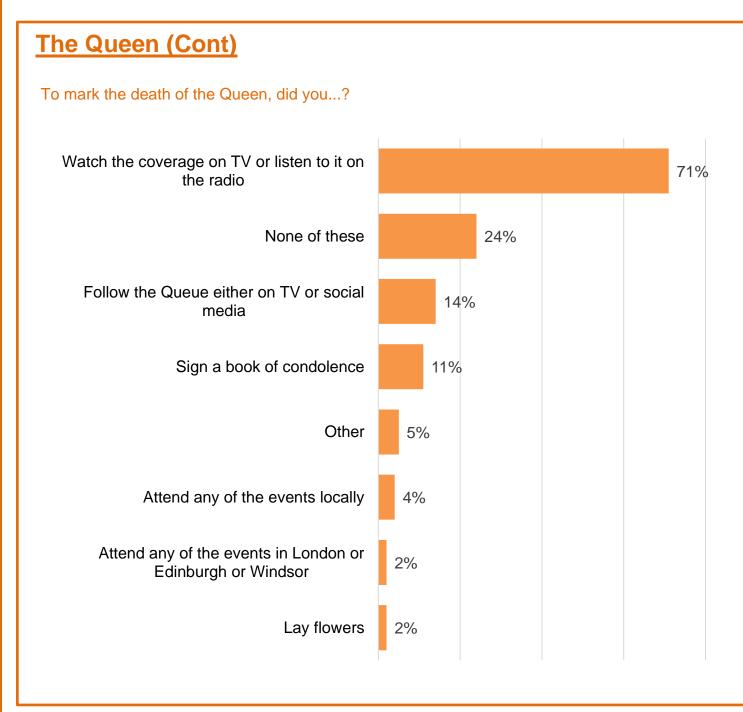

Did you cry, or become a bit tearful or emotional at any point due to the death of the Queen?

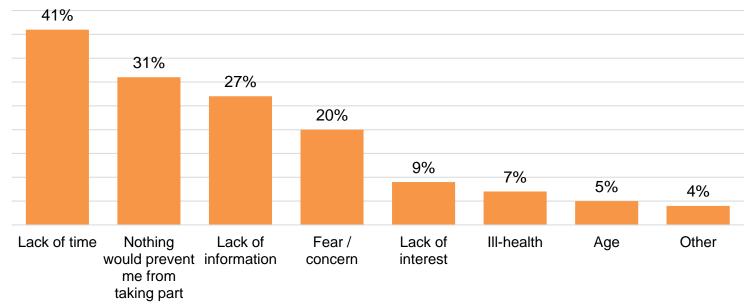

Did your own reaction to the death of the Queen surprise you?

What would prevent you taking part in a health care study?

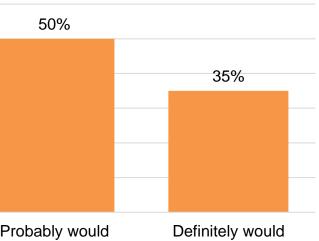

Health Research

10% 5% Definitely would not consider it Probably would not consider it when you think about what a health research study When you think about what a health research study Which of these types of health research study migh Surveys / market research - about health / lifestyle / services etc. Focus groups to talk about health / lifestyle / services etc. Clinical trials, for example, for new drugs and treatments Having your medical / lifestyle history shared with health researchers Being a part of a group study of people with the
